Re: United States v. Curtis Elli

23 Cr. 255 (PMH)

United States District Judge

Dear Honorable Halpern:

Dated: White Plains, New York

May 6, 2024

I am writing, with the consent of the Government, to respectfully ask that Your Honor please adjourn Mr. Ellington's upcoming pretrial conference (scheduled for May 8, 2024) for 30 to 60 days. The purpose of this request is to allow Mr. Ellington time to consider the Government's response to our mitigation submission. As background, in late March I provided the Government with a mitigation submission and last week the Government got back to me and explained its view regarding a potential disposition. I have not yet been able to get to the jail to discuss the Government's position with Mr. Ellington, which is why I am requesting this adjournment. I have spoken to AUSA Marcia Cohen, and she does not object to this request. If granted, I would, of course, consent to the exclusion of time.

Thank you for your consideration.

Sincerely,

Benjamin Gold Assistant Federal Defender
